

Greetings Entomologists!

10/11/14

It's time to get organized for the 2015 Southwestern Branch - ESA Insect EXPO in Tulsa, OK. I hope everyone who volunteered in the past will be willing to join up once again. And I hope we can persuade a whole new crew of entomologists to get involved.

EXPO will be held Monday, February 23rd 2015 at the Hard Rock Hotel!! Please remember to make accommodating hotel and travel plans. Forthcoming meeting registration announcements will include web link to the Hard Rock Hotel for room reservations within the SWB meeting block. Set up will be on Sunday afternoon for those that are coming in early and can lend a hand. Even a couple of hours of your time can make a big difference, before, during, and after the EXPO. Even if you can't make it yourself, please be supportive of those students and staff who wish to contribute their time, energy, and enthusiasm to this worthy event. It's an unbeatable experience for teachers and school kids attending and a GREAT resume builder for volunteers!

Volunteer registration can be done online at the time of Branch Meeting registration. If you miss that, you can always contact Andrine Shufan at

andrine@okstate.edu.

We're always looking for new booth/station ideas so if you have an activity in your field that would be educational for kids, please let me know.

Thank you all so much for getting involved in this wonderful and fun event!

Andrine Shufan
