PRESIDENT

The President shall serve a 1-year term as administrator of the Branch, coordinate committee activities, preside at meetings, and serve the membership. The President is elected by written ballot tabulated by the Nominating Committee and reported to the Executive Committee and membership at the annual Branch meeting. The President shall take office at the close of the annual meeting following election. If the President is unable to complete the term, the President-Elect shall assume the office. After completing a 1-year term, the President shall serve as Past-President and a member of the Executive Committee. (Constitution Article III, Section 1; By-laws Article II, Section 2)

The President shall appoint standing and special ad hoc committees in accordance with the Branch Constitution and By-laws. Most committees are established by the President-Elect prior to assuming the office of President. Experienced committee members are selected as chairs, if possible, and multi-year terms of service shall be arranged so that some knowledgeable members remain on committees re-established each year. Standing committees shall be: Archives; Auditing; Board Certification; Education; Local Arrangements; Meeting Location and Time; Member Awards; Membership; Nominating; Program; Public Relations; Resolutions; Student Affairs; and Student Awards (Article VII, Section 1). Committee membership and committee responsibilities shall be as outlined in the Constitution and By-laws. Special committees may be established at any time, e.g., By-laws Revision, National Offices Nominating, Annual Meeting Sponsorship, Officer and Committee Guidelines, Linnaean Games Enhancement, Linnaean Games, Insect Photo Salon, Job Placement, Secretary/Treasurer Position, etc.

Additional Responsibilities

1. Prior to assuming office, the President shall appoint officers and chairs of at least the following standing committees: Meeting Location and Time, Program, Member Awards, Student Awards, and Nominating. A final list of all committee chairpersons is sent to members of the Executive Committee and every committee chair.

2. Write letters of condolence, if appropriate, to members of families with ESA-SEB members who died during the President’s term of office (notify the Secretary-Treasurer, Archives Committee Chair and National Office).

3. Closely coordinate Branch activities with the Member Awards, Student Awards, Membership, Nominating, Program, Local Arrangements, and Location and Time Committees.

4. Make sure the Nominating Committee Chair knows which offices are to be filled at the Branch and National levels.

5. Assist the Program Committee Chair in organizing a Branch Symposium or other suitable activity for the first morning session at the annual meeting.

6. Compose a general letter to the membership for delivery with the annual meeting call for papers.

7. Provide the Secretary-Treasurer, Executive Committee, all committee members, and all Branch members a list of committees and members by sending the list to the webmaster for posting on the Branch website.

8. Write congratulatory letters to winners of ESA-SEB and ESA awards.
9. Coordinate details of the annual meeting with the Local Arrangements and Program Committee Chairs. A site visit is suggested in October-November, including the President, Secretary-Treasurer, and Chairs of the Local Arrangements and Program Committees.

10. Assist the Secretary-Treasurer with formulation of a tentative Branch budget for the next year (September-October).

11. Make sure award plaques are ordered and coordinate with the Secretary-Treasurer and Award Committee Chairs.

12. Invite the National ESA President, Executive Director, and Certification Board Director to the Branch Executive Committee and annual meeting, and schedule time for them to speak during the opening session.

13. Provide the Secretary-Treasurer a photograph for use in the annual meeting program (September).

14. Prepare a draft agenda for the Executive Committee meeting, Preliminary Business meeting, Past President’s Breakfast, Awards Luncheon, and Final Business meeting (December).

15. Coordinate with the Local Arrangements Chair the seating arrangements for the Branch officers and guests at the Awards Luncheon.

16. Preside at the Executive Committee Meeting at the annual meeting (see Appendix, PRESIDENT, Attachment 1. Suggested Executive Committee Meeting agenda).

17. Notify members of the Executive Committee, all committee chairs and appropriate incoming committee chairs of the time and location of the Executive Committee Meeting at the beginning of the annual meeting.

18. Preside at the Preliminary Business Meeting, Awards Luncheon, and Final Business Meeting at the annual meeting. Give the “Kirby Hays” gavel to the incoming President (see Appendix, PRESIDENT, Attachment 2. Suggested Preliminary Business meeting agenda; Attachment 3. Suggested Awards Luncheon agenda; Attachment 4. Suggested seating at head table; Attachment 5. Suggested Final Business Meeting agenda).

19. Write thank you letters to all officers and committee chairs.

**PRESIDENT-ELECT**

The President-Elect shall serve for one year and subsequently become President for one year. The President-Elect shall assume the duties of the President in the latter's absence and assume other tasks assigned by the President. In the event that the Presidency is vacated, the President-Elect shall automatically and immediately assume the Office of President for the remainder of the unexpired term, then serve the following term as President. If there is a vacancy in the office of the President-Elect, the Member-at-Large on the Executive Committee with the longest tenure of service shall assume the Office of President-Elect until a President-Elect is elected. (Constitution Article III, Section 2; By-laws Article II, Section 3)

**Additional Responsibilities**

1. Become familiar with the current Branch Constitution, By-laws and Guidelines for officers and committee chairs. Work with the President to update the Guidelines at least six months before the annual meeting. Post the updated Guidelines on the Branch website and notify the membership.
2. Appoint chairs of the Meeting Location and Time, Program, Member Awards, and Student Awards Committees, and all members of the Nominating Committee before the annual meeting in which the Presidency is assumed.

3. At the meeting prior to assuming office, the President-Elect selects the Meeting Location and Time Committee Chair from the state that will host the meeting in three years (see Appendix, MEETING LOCATION AND TIME COMMITTEE, Attachment 1. History and schedule; committee descriptions; and President’s guidelines).

4. Serve as chair of the ad hoc National Offices Nominating Committee. Coordinate with the President any agreements with other Branches or Sections for support of a candidate for national office. Endorsement of a candidate for national office should be carefully considered and voted on by the membership. Candidate selection and endorsement is to be on the agenda for the Executive Committee and Final Business Meetings.

5. Represent the Branch and attend appropriate meetings at the National ESA Meeting.

6. Introduce the Program and Local Arrangements Committee Chairs and members at the Final Business Meeting. Also, the chair and members of the Nominating Committee should be identified and invited to recommend or nominate members to serve as officers or committee members.

**SECRETARY-TREASURER**

The Secretary-Treasurer shall serve for three years following a 1-year term as Secretary-Treasurer-Elect. Election of a Secretary-Treasurer-Elect will take place just prior to the second Annual Meeting to be managed by a Secretary-Treasurer. The Secretary-Treasurer-Elect will assist the Secretary-Treasurer during this Annual Meeting and the next before assuming the office of Secretary-Treasurer. Eligibility of the incumbent Secretary-Treasurer for re-election shall be limited to a second 3-year term. (Constitution Article III, Section 3; By-laws Article II, Section 4)

The Secretary-Treasurer shall serve as business officer for the Branch, maintaining and reporting accounts and records (see Appendix, SECRETARY-TREASURER, Attachment 1. Suggested monthly schedule). Both the annual budget and report shall be presented at the Executive Committee and Final Business Meetings. These budgets and reports shall be made available to the Auditing Committee during the Annual Meeting along with all financial records. Responsibility shall be assumed for distributing information through the ESA National Office’s email system to the membership, e.g., annual meeting and program announcements and other information pertinent to Branch business. Such announcements are generated for the Secretary-Treasurer by the various committees. The Secretary-Treasurer will interact with the ESA national office with respect to summarizing Branch finances, receiving meeting attendance funds from ESA, running elections, and running annual meetings. Information ready for posting shall be provided to the ESA national office for the Branch website. The Secretary-Treasurer shall be in charge of working with the ESA National Office on pre-registration and on-site registration for the Annual Meeting, providing meeting attendees access to registration forms and programs, preparing meeting agendas, and recording minutes of the Executive Committee and Final Business Meetings. The Secretary-Treasurer oversees the registration desk during an Annual Meeting. Income from an Annual Meeting is deposited into a bank account. At the end of an Annual Meeting, the Secretary-Treasurer writes a check to pay for hotel expenses. The Secretary-Treasurer may receive remuneration for personal and other expenses incurred in attending and conducting business at the Branch meetings, subject to approval by the President.
**Additional Responsibilities**

The Archives Committee shall consist of one member, the Historian, appointed by the President to a 5-year term. The Historian shall represent the Branch on the Entomological Society of America Committee on Archives. Duties include collection and preservation of historical documents and memorabilia of entomology, stimulating an appreciation for the history of entomology, and encouraging scholarly studies of the historical role of entomology in American society. (Constitution Article VII, Section 1; By-laws Article III, Section 12)
AUDITING COMMITTEE

The Auditing Committee shall consist of three members appointed by the President for 1-year terms. The Secretary-Treasurer-Elect or the Past Secretary-Treasurer should be a member. One member should serve for a second year to maintain continuity. This Committee shall audit the financial records of the Secretary-Treasurer at the annual Branch meeting. Experienced committee members will be selected as chairs, if possible, and multi-year terms of service shall be arranged so that some knowledgeable members remain on re-established committees. Duties of this Committee shall be to promote the science of entomology through education, particularly in conjunction with the annual Branch meeting. Activities may include developing an insect-expo or workshops for educators to increase entomology in the classroom. Activities of this Committee shall be closely coordinated with the Local Arrangements and Program Committees. (Constitution Article VII, Section1; By-laws Article III, Section 14)

LOCAL ARRANGEMENTS COMMITTEE

The Local Arrangements Committee shall be composed of at least six members appointed by the President to 1-year terms. This Committee shall be composed of members of the Meeting Location and Time Committee for the current annual meeting. Representatives from university, government, private industry, and a student typically serve on the Local Arrangements Committee. This committee shall make all arrangements for the annual meeting, e.g., guest and meeting rooms, on-site registration, slide and video projection, receptions, banquets, excursions, an associates program, etc. (see Appendix, LOCAL ARRANGEMENTS COMMITTEE, Attachment 1. Meetings, functions, and other activities). The chair shall select members of this committee, with the approval of the President. The chair shall deliver a report at the Executive Committee Meeting, attend all Branch business meetings, and submit a written report at the Final Business
Meeting summarizing the committee’s activities. (Constitution Article VII, Section1; By-laws Article III, Section 8)

**Additional Responsibilities of the Chair**

1. Prepare a welcome letter for the annual Branch meeting that contains information about the meeting site, hotel reservations and deadlines, driving directions, airport transportation, offsite activities, and so forth. The letter will be sent to the Branch membership, posted on the ESA-SEB website, and sent to the Secretary-Treasurer.

2. Meet on-site with the hotel staff, President, Program Committee Chair, and Secretary-Treasurer in October-November prior to the annual Branch meeting to review all arrangements, and again at least two weeks before the meeting. The Local Arrangements Committee Chair should become familiar with meeting rooms and other hotel facilities prior to the site visit.

3. Assign one member responsibility at the Branch annual meeting for each of the following: audio-visual equipment, signs (the Program Chair may volunteer to arrange for signs), Linnaean Games, Associates Program, golf tournament, fun run, and other offsite activities.

4. Assure availability of sufficient rooms for submitted paper and symposium sessions and other special functions at the Branch annual meeting. Reserve a suitable location at the host hotel for the Past-Presidents' Breakfast.

5. Coordinate with the President and Secretary-Treasurer reservations and complimentary rooms for special guests, e.g., ESA President, ESA Executive Director, ESA-SEB President, and Plenary Speaker.

6. At the Opening Session, the Chair of the Local Arrangements Committee will make announcements regarding meeting locations, restaurants, the Associates Program, registration, etc.

7. Work closely with the ad-hoc Annual Meeting Sponsorship Committee and Secretary-Treasurer assures that expenses for the Branch annual meeting do not exceed the budget. Assist the Secretary-Treasurer in a careful review of the final meeting bill from the hotel.

**Additional Responsibilities of the Committee**

**Registration**: Obtain volunteers to staff the registration desk (4-5 people for the first and second days), assemble registration packets to include restaurant information and local tourist attractions (talk to the local Convention Bureau), and work with the Secretary-Treasurer to manage on-site registration. All committee members should wear identifying badges to enable attendees to identify them for assistance with questions about meeting room locations, local restaurants and attractions, and use of audio-visual equipment.

**Audio-Visual Equipment**: Obtain the required number of projectors, pointers, screens, timers, extension cords, etc. Committee members responsible for audio-visual equipment make sure that each room is set-up with operational projection equipment, lights, a podium light, and microphones. Institutions in the host state may be able to provide equipment and materials, such as projectors, extra bulbs, projector stands, extension cords, duct tape, computers, and printers.

**Poster/Display Sessions**: Coordinate with the Program Chair the availability, delivery and placement of poster boards for display sessions. Branch institutions may provide the poster boards but, if they must be rented, consider the cost early in budgeting for the meeting.
Signs: Signs are posted on easels to communicate important information at the Branch annual meeting, e.g., sponsors, paper sessions, committee meeting rooms, break areas, the mixer, and Award Luncheon locations. Hotels usually do not allow signs to be attached to walls. Coordination is required with the Program Chair to prepare, post, and remove signs.

Linnaean Games: The student member of the Local Arrangements Committee is responsible for planning and managing the Linnaean Games. Special arrangements are required, including the room size and location, number of tables and microphones, and buzzer system that is owned by the Branch. The Program Committee should provide enough time between the last paper session and the Games.

Annual Meeting Activities: Determine interest in an Associates Program by including a survey in the call for papers. Information on a tentative program may be included in the first mailing. The host state typically sponsors a breakfast mixer on Monday morning. The Committee assists the President with seating arrangements for the Awards Luncheon. A local dignitary usually is invited to the opening session to welcome the members to the area.

Coordination: Coordinate annual Branch meeting functions with the hotel staff, Program Committee Chair, ad hoc Annual Meeting Sponsorship Committee Chair, other committees, and officers. These functions include registration, meals, breaks, the mixer, paper sessions, the Linnaean Games, etc. Breaks should be provided during the morning and afternoon on the first two days of the meeting. Refreshments left over from the mornings should be preserved and served during the afternoons.

MEETING LOCATION AND TIME COMMITTEE

The Chair of the Meeting Location and Time Committee shall be appointed by the President after the final business meeting during which a city is selected for the annual meeting three years in the future. The Committee shall consist of at least three members who serve for two consecutive years and then become members of the Local Arrangements Committee. The Secretary-Treasurer shall serve as an ex-officio member of both committees. The Chair of the Local Arrangements Committee shall select, with approval of the President, at least two other members from the area of the meeting site. During the first year, the Meeting Location and Time Committee shall investigate possible meeting facilities and dates in the chosen city and report its recommendations to the Executive Committee for action. In close cooperation with the Executive Committee, the Meeting Location and Time Committee shall negotiate a contract for the meeting facilities during the second year. (Constitution Article VII, Section1; By-laws Article III, Section 9)

Additional Responsibilities

1. Meeting sites for the ESA-SEB meetings rotate among the participating Branch states. The location for future ESA-SEB meetings is selected three years in advance by vote of the membership present at the Final Business Meeting each year (see Appendix, MEETING LOCATION AND TIME COMMITTEE, Attachment 1. History and schedule).

2. The president appoints the Meeting Location and Time Committee soon after the Branch annual meeting and empowers it to review, select and make on-site visits to prospective hotels in the host state. The Committee works with the Secretary-Treasurer to select a hotel, negotiate a contract and make arrangements for the meeting. The Chamber of Commerce, Bureau of Tourism or Convention Bureau often can provide valuable assistance.

3. Meeting dates should be determined early in the second year before the Branch annual meeting to facilitate negotiations with the hotels. The hotel should be selected about two years before the annual
meeting so that meeting space and a block of guest rooms can be reserved. As many details as possible should be arranged in advance.

4. Negotiations include the price of meals, break refreshments, drinks and food for the mixer, guest rooms, meeting rooms, audio-visual equipment, internet access, etc. The number of people registered, meals and break refreshments consumed, and costs from previous annual meetings can serve as a guide.

5. The hotel will provide a contract specifying the number, size and location of rooms for meetings and other activities, e.g., the mixer and Awards Luncheon. Also included will be the guaranteed number of guest rooms, including complimentary rooms. The contract should be sent to the Secretary-Treasurer and Executive Committee for their approval. The Secretary-Treasurer returns the approved contract to the hotel. The Secretary-Treasurer sends a copy of the contract (signed by the hotel and SEB) to the Chair of the Meeting Location and Time Committee for the site that the meeting will be held.

6. The President normally appoints the Chair of the Meeting Location and Time Committee to chair the subsequent Local Arrangements Committee. Consequently, the Meeting Location and Time Committee evolves into the Local Arrangements Committee. The Chair shall attend the Executive Committee Meeting and the Final Business Meeting to present brief reports on Committee activities and provide promotional materials for planning the next annual meeting.

MEMBER AWARDS COMMITTEE

The Member Awards Committee shall be composed of six members appointed by the President to serve 3-year, overlapping terms. An experienced Committee member will be selected as chair, if possible, and multi-year terms of service shall be arranged so that some knowledgeable members remain on the Committee each year. Member Awards Committee members should include representatives from research (state and federal), Extension, teaching, industry, regulatory entomology, and a Board-Certified Entomologist. The Committee shall follow establish guidelines for soliciting and evaluating nominees, and selecting recipients for awards to be granted by the Branch and ESA National Office. Nominees for national awards shall be forwarded to the appropriate national awards committee by the Branch Member Awards Committee Chair. The Branch Chair shall submit a written report at the annual Final Business Meeting summarizing ESA-SEB Member Awards Committee activity. (Constitution Article VII, Section 1; By-laws Article III, Section 10)

Additional Responsibilities

The President-Elect should select the pending Chair of the Member Awards Committee in early January of the year in which both of them assume office and provide the chair with a copy of the Committee guidelines. The President-Elect and outgoing chair should cooperatively select the new chair. If possible, the new chair should be selected from among the members currently serving on the committee. The chair is responsible for soliciting nominations and supporting documentation for the following ESA-SEB awards:

1. Award for Excellence in Integrated Pest Management (Branch nomination for ESA award)
2. Recognition Award in Entomology
3. Distinguished Achievement Award in Teaching (Branch nomination for ESA award)
4. Distinguished Achievement Award in Extension (Branch nomination for ESA award)
5. Distinguished Achievement Award in Horticultural Entomology
6. Distinguished Achievement Award in Urban Entomology
7. Distinguished Service Award to the Certification Program
8. Recognition Award in Insect Physiology, Biochemistry, and Toxicology
All eight Branch awards have an ESA National equivalent and nominations are due on **July 1**. Nominations are accepted only from ESA Branches (one per year) for the ESA (Entomological Foundation) Award for Excellence in Integrated Pest Management, ESA Distinguished Achievement Award in Teaching, and ESA Distinguished Achievement Award in Extension. Guidelines for preparing nominations for ESA awards, including these three awards for ESA-SEB, are posted at the ESA awards website ([http://www.entsoc.org](http://www.entsoc.org)).

The ESA-SEB Member Awards Committee encourages and facilitates its membership in applying for the following professional honors and awards administered solely by the National ESA Awards Committee:

February (Year 1): Chair selects pending committee members. The committee members review procedures for soliciting and evaluating nominations and selecting awardees.

March (Year 1): Chair widely distributes solicitation for ESA-SEB and ESA award nominations, including email to ESA-SEB membership and announcement in the ESA newsletter. Solicitation is sent to all entomology department and sub-department administrators in the Branch, emphasizing the deadlines of September 1 ESA-SEB and July 1 ESA.

July (Year 1): Chair redistributes nomination solicitation and reminds entomology institutions and sub-department administrators to submit ESA-SEB award nominations by September 1.

September 1 (Year 1): Deadline for submission of award nominations. If nominations are insufficient, the deadline is extended by two weeks but no later than September 15. Chair confirms receipt of nominations.

Award evaluation forms). Committee members are advised to complete judging and return scoring sheets along with dossiers to chair by October 15.

November 1 (Year 1): Chair determines the award recipients and notifies Branch President, Secretary-Treasurer, and Member Awards Committee members. Each nominator and recipient is notified of their selection individually. Award recipients are announced in the meeting program and awards are bestowed at the ESA-SEB annual meeting. Chair thanks all nominators and nominees, and requests from the nominator of the awardee a photograph of the awardee and write-up suitable for the ESA and ESA-SEB annual meeting programs. A written report reviewing current Branch membership by state shall be presented at the Final Business Meeting. (Constitution Article VII, Section1; By-laws Article III, Section 5)

**Responsibilities**

The Committee is appointed soon after the Branch annual meeting and responsible for all phases of membership development and retention. Following the "Guide for ESA Membership Committees," the Committee will work closely with the ESA National Manager of Membership and Member Relations to solicit ideas, information, brochures, membership lists, application forms, etc., to increase Branch membership. Active recruitment of new members requires dissemination of applications and information about the Society and working with other organizations that employ entomologists, such as entomological societies, the
National Pest Control Association, universities, colleges, experiment stations, government organizations, and agricultural companies.

**Suggested Monthly Schedule**

**March:**

1. Obtain Branch membership lists and compare them with annual meeting registration.

2. Immediately after the Branch annual meeting, obtain a list of non-member registrants from the Secretary-Treasurer and within one month send each an invitation to join ESA.

3. Obtain lists of potential entomology graduates from entomology, biology and zoology department heads. Recruit graduating entomologists who are not ESA members.

**April:**

1. Obtain a current list of delinquent members from the ESA National Manager of Membership and Member Relations and follow-up with personal contact by letter or telephone.

2. Send a report of Branch Membership Committee activities to the ESA National Membership Committee Chair for inclusion in the Membership Committee Report to the ESA Governing Board by **June 1**.

**May:**

1. Request membership rosters from societies with entomologists and employment lists from organizations that employ entomologists.

2. Use membership and employment lists to send invitations about joining ESA to non-members.

**September:**

1. Contact entomology, biology and zoology department heads to obtain lists of graduate and undergraduate students specializing in entomology.

2. Obtain a list of ESA student members from the ESA National Manager of Membership and Member Relations to check against lists of students obtained from various departments. Develop a list of non-member entomology students.

3. Send a letter of invitation to join ESA to each non-member student.

**October:**

1. Send the prospective member lists to the ESA National Manager of Membership and Member Relations so non-members can be sent letters of invitation to join ESA.

**December:**

1. Attend ESA Membership Committee Meeting at the ESA Annual Meeting.

**NOMINATING COMMITTEE**
The Nominating Committee appointed by the President shall consist of six members with 1-year terms; two each representing federal; state (including universities and colleges); and industry employed members. The entire Nominating Committee for the subsequent year must be approved by the Executive Committee no later than the Executive Committee meeting at the annual Branch meeting. The Nominating Committee shall solicit nominations from the membership and develop a ballot with at least two candidates for each Branch office. A nominee must consent to having their name on the ballot. The Nominating Committee conducts the election prior to the annual Branch meeting and reports the winners at the Executive Committee meeting. The Nominating Committee also shall count and report responses on the ballots for Constitutional Amendments. (Constitution Article VII, Section1; By-laws Article III, Section 2)

Responsibilities

The President-Elect, on assuming the presidency at the end of the final business meeting, shall announce the Chair of the Nominating Committee approved at the Executive Committee meeting and ask the members present to recommend nominees for Branch offices.

The Nominating Committee shall provide a minimum of two nominees for the following Branch offices: President-Elect and one Member-at-Large to the Executive Committee elected annually, and Secretary-Treasurer elected every three years. The Nominating Committee is required to provide nominees for the following National ESA offices: Representative to the Governing Board and Representative to the Certification Board every three years.

Additional Responsibilities

1. Inform the committee members of their duties and provide them with the Branch guidelines. Assure that the duties of the committee are conducted on schedule (see Appendix, NOMINATING COMMITTEE, Attachment 1. Proposed timetable for elected national ESA offices).

2. Solicit candidates for each vacant office, possibly from entomology department heads, laboratory directors, and industry leaders. Determine if the candidate is being considered for another ESA position which would limit their ability to serve. Inform potential candidates of the committee’s selection procedure, and that initial acceptance does not guarantee nomination (see Appendix, NOMINATING COMMITTEE, Attachment 2. Proposed timetable for elected Branch offices).

3. Submit the list of candidates with biographical information to each committee member for confidential ranking, summarize the results, and notify the committee members. The two qualified candidates for each office that receive the highest score are placed on the ballot.

4. Confirm the candidate’s consent to serve and that they are ESA members in good standing. If a nominee declines, the candidate with the next highest number of votes is contacted.

5. Write a letter to all candidates not selected explaining results of the committee’s action and thanking them for their willingness to be considered for nomination.

6. Prepare a ballot for voting by the Branch membership and notify the ESA-SEB President and Secretary-Treasurer of the candidates.

7. Send ballots and biographical information to the Secretary-Treasurer for forwarding to the Branch membership. Ballots are returned to the Secretary-Treasurer who with at least one Nominating Committee member or ESA-SEB officer counts the votes to determine which candidates are elected. If
the outgoing Secretary-Treasurer is nominated for another office, ballots should be sent to the Secretary-
Treasurer-Elect or to the President.

8. Attend the Executive Committee meeting at the beginning of the annual Branch meeting and report on
the activities of the Nominating Committee, including the results of the election.

9. Maintain a file of committee activities for the succeeding Nominating Committee Chair. Also, announce
the results of the balloting at the Final Business Meeting.

**PROGRAM COMMITTEE**

The Program Committee shall consist of six members appointed to 1-year terms by the President. The
program should represent a broad range of entomological topics of interest to the membership and perhaps
incorporate a few speakers from outside the Branch. The committee shall solicit program suggestions from
the membership and deliver the completed program to the Secretary-Treasurer not less than six weeks prior
to the annual meeting. The chair shall provide an oral and written report at the Final Business Meeting
summarizing the committee’s activities and serve as an ex-officio member of the subsequent Program
Committee. (Constitution Article VII, Section1; By-laws Article III, Section 7)

**Additional Responsibilities**

1. The chair and President select members of the Program Committee cooperatively by *July 1* of the year
preceding the subsequent annual meeting.

2. The call for papers is sent to the Secretary-Treasurer for distribution to the membership by *July 15*,
including the preregistration and title submission forms, hotel reservation materials, insect photographic
salon requirements, call for papers for the student symposium, and other information pertinent to the
program.

3. The *October 1* deadline for acceptance of submitted papers may be extended to December, if necessary.
The Student, Armyworm, Turf and Ornamentals, Vegetable Insect, and Urban Entomology Symposia
have become somewhat traditional.

4. The chair contacts the Membership and Student Awards Committee Chairs to request biographical
information of award winners by *November 15* for inclusion in the program.

5. The chair contacts the Secretary-Treasurer by the following *February 1* to determine funding available
for honoraria or travel expenses for speakers invited to the annual meeting.

6. The chair and printer cooperatively prepare the program. The title submission form has spaces for the
time, paper number and subject category. The papers are arranged in sessions and assigned a time and
number on the standardized submission form. Corrections and changes are made on the submission
forms before finalizing and printing the program. The final program is compiled in a draft computer file
and given to the printer six weeks before the annual meeting.

7. The chair solicits a moderator and projectionist for each session or only a moderator who selects a
co-moderator/projectionist. The chair provides a copy of the Moderator Guidelines to each moderator
(see Appendix, PROGRAM COMMITTEE, Attachment 1. Guidelines for session moderators).

8. The chair arranges for the meeting in close coordination with the Local Arrangements Chair, Secretary-
Treasurer, President, and hotel staff. A site visit is made to arrange for meeting functions, match space
requirements with the hotel floor plan, determine what equipment will be provided by the hotel or other sources, and assure that the meeting is well planned. The Program Chair obtains a copy of the hotel floor plan for the meeting program and coordinates signage with the Local Arrangements Chair.

9. The Program Committee cooperatively organizes the opening session, often including an invited keynote speaker. During the opening session, the Program Chair thanks Program Committee members and others who have assisted in developing the program, asks presenters to observe time limits, and delivers “housekeeping” information.

10. The chair closely monitors the meeting and is visible and ready to assist if needed. Also, the chair coordinates with every moderator to assure that the projector and other equipment is in place and someone is present to operate it and the room lights.

11. The chair provides six copies of the program to the Public Relations Committee Chair and one copy to each Branch President, the National President, ESA Executive Director, and ESA Certification Board Director.

PROGRAM COMMITTEE

Attachment I. Guidelines for session moderators

Set-up: Arrive at the meeting room early to check the arrangements, including projection equipment, screen, podium microphone, pointer, timer, light controls, etc. Follow instructions and locate the session support room in the event assistance is required. If needed, seek assistance to assist with projection and light controls, if needed. Upload presentations onto the computer desktop, if not done previously.

Starting: Identify the session, announce changes to the program, and remind the presenters to remain on schedule.
Time Management: Each presenter in a submitted paper session is signaled when two minutes remain before the end of their presentation. If it becomes apparent that the presenter will not conclude on time, the moderator stands and asks courteously, but firmly, that the speaker finish immediately. Questions from the audience are directed to the presenter at the conclusion of the presentation. If a presentation has been canceled, the session participants are informed that the next one will begin as scheduled in the printed program.
