- Recognition Award in Entomology

If you are interested in nominating a fellow P-IE member, please visit https://www.entsoc.org/membership/sections/pie/awards to learn more about the nomination requirements and evaluation criteria.

Biological Control Field Tour

The P-IE field tour, “Biological Control in Agroecosystems” based out of Wenatchee, WA is scheduled for May 8-10, 2022. The tour will focus on biological control in perennial crops (tree fruit and grapes) and will include demonstrations of predator releases by drone, floral plantings, and classical biocontrol releases. Attendees will include commodity stakeholders, biocontrol practitioners, biocontrol agent producers, and ESA members. Stay tuned to hear more about the tour in upcoming newsletters!
Thank you to new committee members!

P-IE would like to welcome our newest committee volunteers! A heartfelt thank you to everyone who provided nominations or volunteered for committee service with our section. Please stay tuned for more upcoming opportunities to get involved with P-IE.

Current P-IE Nominations Committee members:
P-IE selects one representative from each branch to serve on the committee for a two-year term. The nominations committee helps recruit P-IE members for elections and committee service. (Newest members are highlighted in blue.)
