AGENDA

1. Call to Order: Andy Michel

2. Reflections on 2019 meeting
 - a. Photo Salon needs to be highlighted more, could it be blended with insect expo?
 - b. Twitter aggregator near registration?
 - c. Could we have opt-in alerts email, text?
 - d. Linnaean Game setup could be improved
 - e. could student groups have attendance at insect expo?
 - f. Anchor symposia beginning and end to “keep people at the meeting”
 - g. Improve section representation in symposia
 - h. Registration process was great
 - i. Student competition presentations were excellent; consider adding breaks for judges
 - j. Avoid doubles in student competition
 - k. Registration with moderating/judging, opt in for welcome reception/awards lunch
 - l. Disappointed in lack of corn/soybean faculty representation

3. Proposed meeting locations for 2021
 - a. International IPM Symposium: would the meeting be simply co-located?
 - b. St. Paul, Metro State
 - c. Others?

4. ECP proposed bylaw changes will get into the online voting ballot

5. Adjourned
